WHAT WILL YOU DO WHEN YOU'RE DEAD?

You Might Be Surprised!

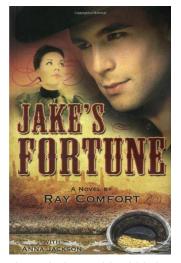

From the moment of birth we are destined to die. Sooner or later it will happen! When young and fit we don't think about it, though we may attend the funeral of a grandparent. This short book explains what Jesus tells us and what the Bible reveals about God's wonderful future for those who trust in Christ as their savior.

ED HARDING has been studying and teaching the Bible for over 50 years. He is now in a season of seeing friends and relatives make their final journey into the presence of God and wants people to understand the Christian gospel, that Jesus rose from the dead and that for the believer death is swallowed up in victory and a wonderful future lies ahead.

UNDERSTANDING MY BROTHER

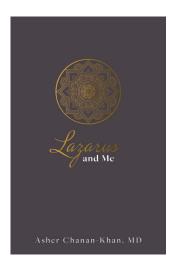

A Muslim's Irreconcilable Difference with the Claims of Christ

Why is there such endless strife between the Muslim and the Christian world, despite the Quran endorsing Jesus Christ, His immaculate conception by the Holy Spirit and expecting Muslims to believe His message? Today the Muslim world fails to recognize what exactly is the message of Jesus Christ and His role in securing eternity for mankind. Both Muslims and Christians are largely ignorant what the other believes and why there is still relentless tension on the earth. This book focuses on the fundamental irreconcilable differences between the Christian and Islamic faiths, that are rooted in the texts of the Quran and Bible, and is written from experience in both faiths.

LAZARUS AND ME

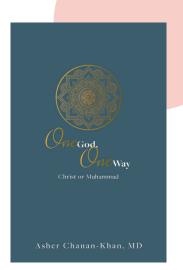

Living Life in Lazarus Moments

Have you ever wondered what happened to Lazarus after Jesus resurrected him from death? Lazarus was given an extension of life and time spent on earth. ONE GOD, ONE WAY

Muslims Must Wrestle with the Claims and Promises of Christ Jesus

The promise and importance of God's Messiah is undisputedly acknowledged by the Jews, the Christians and the Muslims. Who is this Messiah? The Bible and the Quran both recognizes Christ Jesus as the promised Messiah and directs their followers to accept the Gospel brought to mankind through Him. However, while the Quran commands to recognize the teachings of Jesus, an average Muslim remains unknowledgeable to Christ's proclamation and promises.

A DRINK CALLED JOY

A Supernatural Answer to Addiction

Using the language and stories of former drug addicts and alcoholics transformed by Jesus Christ, Don Wilkerson makes a contrast between the drinking "high" of drugs and the experience with the Most High God. Don writes, "Using Apostle Paul's admonition to not be drunk with wine wherein is "excess" but be "filled with the Spirit" (Ephesians 5:18) I make a similar contrast between joy in the Lord and the false euphoria of the life of the addict on drugs. There is also possible scientific evidence that if the brain waves of someone on cocaine were compared with someone joyful in the Lord the latter would show a "peace that passes all understanding."

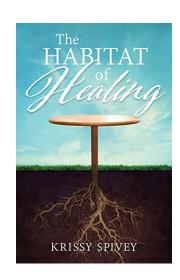

DON WILKERSON Cofounder of Teen Challenge and founder of Global Teen Challenge, returned in June 2008 as Executive Director to the original center in Brooklyn, New York, where the Teen Challenge ministry began over sixty years ago. The center became the inspiration and model for similar programs across the United States and around the world. Now serving as President Emeritus of Brooklyn Teen Challenge, Don Wilkerson continues to serve the ministry through authoring numerous books.

THE HABITAT OF HEALING

A True Story of Triumph from Victim to Victor

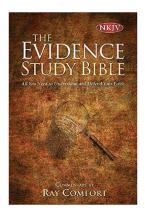

From trauma to triumph, Krissy Spivey tells her story of growing up in the church and being faced with unimaginable choices that would change the course of her life forever. At eighteen years old she was baited by a stranger online, raped, and exploited. Months later, when faced with an unplanned pregnancy, she chose abortion out of fear of judgement. She tells of her messy transition from religion to relationship after fourteen years of deep repression as a leader in the church. The Lord met her at her most vulnerable, unraveled her faulty identity of helpless victim, and invited her to dine with Him as a healed victor. The Habitat of Healing is a gathering place for the broken to feast in the fullness of God. It is a fresh take on spiritual freedom that equips the reader with keys to unlock the mystery of the table that they were born to sit at. It is an invitation to be made whole in the Healer's habitation.

KRISSY SPIVEY is a wife, mom, homeschool teacher, speaker, and multi-ministry leader. She serves on staff with *She Found His Grace: Abortion Recovery* Ministries as an online facilitator for post abortive healing classes. She and her husband Farrion are senior pastors of Freedom House International in Zachary, Louisiana where she loves to serve people alongside of her family. Her joy is most found in worshipping, creating prophetic art, and drinking coffee.

KATHRYN KUHLMAN

AUTHOR HIGHLIGHT

KATHRYN KUHLMAN would tell all those in her Miracle Services that she couldn't heal anyone, and any healing was nothing to do with her. It was all about Jesus and His healing power. She would discern what God was doing and call out healings taking place in the Auditorium. The services always started with a huge choir of five hundred bringing praise and the presence of God into the meeting and a favorite song was 'He touched me'. Then the healing would start and sometimes the presence of God appeared as a cloud or people would feel fire going through them. God is still healing people today and these testimonies show that miracles can and do still happen today. As Kathryn used to say - don't look to me, look to Jesus.

INSIDE WAR FROM THE JUNGLE TO JORDAN

Tony had mastered the art of hiding the frightened child, behind the mask of a fearless criminal. Years later, exhausted from holding up that same weary disguise, he headed for Peru in pursuit of freedom and truth in sheer desperation. Stumbling from bar to bar in hope of something, anything, Tony found a connection to take him to meet a shaman the following day. With a bottle of water in hand to a nurse significant hangover Tony boarded the cramped fishing boat. No amount of hard living could have prepared him for what he would be spiritually subjected to deep in the Amazon Jungle. He had opened himself up to the realms of the demonic through torturous Ayahuasca ceremonies. When returning to London drenched in fear and darkness, suicide seemed to be the only escape from his vivid evil manifestations. One night alone and frightened he experienced a vision which promised him a way out. But there was something he needed to do first before it could happen. This is that true story.
